Imagine a World without Leadership, without Risk-Takers. The Need for People to speak up is Vital for a Diverse, Functioning Environment. Whistle Blowers are just the People who will expose the Flaws, give the Knowledge, empower the People, and count on them to make Collective Decisions on how to deal with these Issues. They make sure People understand the Real Situation in which they are in. Ordinary Citizens are drawn to Whistleblowers because they are willing to put their Life on the Line for the "Common Good" [?].

Thousands of Editorials have been penned hailing the Likes of Julian Assange, Edward Snowden, Shelsea Manning,... as Defenders of Democracy. Are Whistleblowers really the Silver Bullet for Governmental and Corporate Accountability ? It used to be that Whistleblowers were applauded, and they still are in the Private Sector, but it seems as if Government and Corporate Whistleblowers are criticized and many are even Criminally charged. In the Average Democracy, most Citizens have limited Power. As such, Whistleblowers are essential in keeping Business and Government accountable.

- "La Traque Des Lanceurs d'Alerte" (Stalking Whistleblowers) written by Stéphanie GIBAUD with Foreword from Julian ASSANGE. Published in France by Max Milo Editions. - "Allez (Presque Tous) Vous Faire...Il y en a moins qu'on ne le dit mais plus qu'on ne le sait !" (Nearly all of you Go to... There are less we talk about but more that we know about) written by Philippe PASCOT and published in France by Max Milo Editions. This is the Second Chapter about Corruption in the Political World (Pilleurs d'Etat Tome). Philippe PASCOT is an Activist campaigning for full Transparency in Politics and trying to flush out the Organized Opacity of a Dominant Minority (across all Political Parties) which tarnishes the Entire Political Class.

Political Corruption is the Use of Powers by Government Officials for Illegitimate Private Gain. An illegal Act by an Officeholder constitutes Political Corruption only if the act is directly related to their Official Duties. The activities that constitute Illegal Corruption differ depending on the Country or Jurisdiction. New French President Emmanuel Macron swept into Power on the Promise to clean up French Politics. Soon after, Four Government Ministers have resigned from Macron's Administration following Allegations of Corruption. The Rapid Succession of the Resignations is a Sign that fighting Graft in French Politics won't be easy.... The Book goes through Real Cases with Real Politicians being accused and/or Charged by Justice. The Examples are alarming and need a Fast and Real Changes, according to the Author Philippe PASCOT.... Still, he has Hope for the Country to evolve thanks to the the Willingness and Eagerness of French Citizens.
